

EXPRESSION OF INTEREST: OCTOBER 2022

We're looking for community members to join the Arts Working Group

The Cowra Hospital Redevelopment will soon commence the next stage of project planning, exploring how arts can help deliver exciting, welcoming and dynamic spaces for patients, carers, staff and the community.

Beautiful artistic spaces can also help with wayfinding and ensure indoor and outdoor spaces complement health service delivery.

The Cowra Hospital Redevelopment team, in partnership with Western NSW Local Health District, are working together to develop an arts and health strategy for the new hospital .

This is the first stage of a long-term commitment to arts and health initiatives for the Cowra Hospital.

Are you creative, innovative and interested in history?

Expressions of interest are sought for representatives to join the Arts Working Group (AWG). The AWG is responsible for advocating the successful integration of arts for wellbeing, inclusive of memorabilia into the Cowra Hospital Redevelopment project.

Representatives working as part of the AWG will:

- collaborate as part of an integrated team;
- support the development and implementation of the arts and health strategy;
- provide recommendations for arts and health opportunities;
- identify possible partnerships for projects and commissions; and
- share and discuss arts and health strategies with colleagues to ensure the strategy responds to the interests and culture of our hospital community.
