

Ina Drive closed: 16 September-6 December 2024

The NSW Government is investing \$110.2 million in the Cowra Hospital Redevelopment

Health Infrastructure has engaged Richard Crookes Constructions to undertake the main works for the Cowra Hospital Redevelopment.

We recognise that building new infrastructure can impact nearby residents, patients, staff and road users. All construction activities will be carried out with the health and safety of the local community as our top priority.

16 September–4 December 2024: Ina Drive closed (between Liverpool Lane and Carleton Street)

In order for a series of works to be undertaken in the coming months Ina Drive (between Liverpool Lane and Carleton Street) will be closed to vehicles. Pedestrian access will be available.

Access to the Emergency Department will be unchanged and still through Ina Drive via Liverpool Street or Liverpool Lane.

Alternate vehicle access to Carleton Street and Upper Ina Drive will be via Darling Street.

For your safety, please follow the directions of signage and traffic controllers at all times.

Keeping you informed

We will continue to keep you informed through the project website, www.cowrahospitalredevelopment.health.nsw.gov.au and project updates. If you would like to speak with a member of the project team please call on 9978 5432 or email HI-Cowra@health.nsw.gov.au

If there are any questions regarding the site please contact Sam Frauenfelder, Site Manager, Richard Crookes Constructions on 0438 267 162 or frauenfelders@richardcrookes.com.au
