

Ina Drive and Brisbane Street pedestrian and vehicle access August-October 2024

The NSW Government is investing \$110.2 million in the Cowra Hospital Redevelopment

Health Infrastructure has engaged Richard Crookes Constructions to undertake the main works for the Cowra Hospital Redevelopment.

We recognise that building new infrastructure can impact nearby residents, patients, staff and road users. All construction activities will be carried out with the health and safety of the local community as our top priority.

Road works affecting vehicles and pedestrian access

The following works notification details two areas requiring changes to traffic and pedestrian conditions. For your safety, please follow the directions of signage and traffic controllers when in place at all times.

19 August – 6 September 2024: Brisbane Street

In order to undertake the new permanent driveway works on Brisbane Street, there will be changes to the road width and location of a portion of the south bound lane (downhill lane), noting there will still be two lanes of traffic on Brisbane Street.

During construction hours, traffic management will be in place on Brisbane Street to manage the flow of construction vehicles and Brisbane Street traffic.

19 August – 31 October 2024: Ina Drive (between Liverpool Lane and Carleton Street)

In order for a series of works to be undertaken in the coming months Ina Drive (between Liverpool Lane and Carleton Street) will have sporadic closures to pedestrians and vehicles.

Access to the Emergency Department will be unchanged and still through Ina Drive. Alternate vehicle access during times of closure to Carleton Street and Upper Ina Drive will be via Darling Street.

During construction hours, traffic management will be in place on Ina Drive to manage the flow of construction vehicles.

How will the work affect you?

Please be advised some noisy works will be required including saw-cutting and demolition of concrete. These works will only be undertaken between the hours of 9.00am-12.00pm and 2.00pm-5.00pm which is in accordance with the approved planning approval mitigation measures.

The works times will be between 7.00am and 6.00pm from Monday to Friday and 8.00am to 1.00pm on Saturday with no work on Sunday or Public Holidays. We will let you know in advance of any changes to these days and times.

Keeping you informed

We will continue to keep you informed through the project website, www.cowrahospitalredevelopment.health.nsw.gov.au and project updates. If you would like to speak with a member of the project team please call on 9978 5432 or email HI-Cowra@health.nsw.gov.au

If there are any questions regarding the site please contact Sam Frauenfelder, Site Manager, Richard Crookes Constructions on 0438 267 162 or frauenfelders@richardcrookes.com.au
